

## **Destiny Link**

Going into the Penny Road Library Media Center (LMC) is not the only way to find out what books are available. Now you can browse the PRE LMC inventory from any computer anywhere! Simply click on the books below to connect to the *Destiny* website used in the Media Center. Find out what books are in our school library media center inventory and if they are checked out. Use your login to browse and request books to be put on hold. The login and password for students is the same as their Renaissance Place (A.R.) login. Parents may request their own Destiny login.

## **Media Center Hours**

Parents are welcome to visit the Library Media Center anytime between 8:15 and 4:15 on regular school days, with or without their children. However, children are not allowed before 8:45 or after 3:30 without an adult to accompany them. During the school day, students visit the LMC with their class, in small groups or individually with library passes from the teacher.

Parents may not leave children unattended in the LMC.

On early release or late opening days, the LMC is open 30 minutes before the opening bell until 30 minutes after the students are released. (i.e. for a 2-hour delay, the LMC opens at 10:15 for parents with children and 10:45 for children with permission from their teacher.)

Please remember that the LMC is not open on holidays, teacher workdays, or other days that school is not in session unless otherwise announced.

Questions? Please call 387-2142.

Mrs. Chevalier, Library Media Coordinator
